

SR033-G | Satellite Radio Gooseneck Cup Holder Mount

SR033-G
Gooseneck
cup holder

AP012
Adapter plate
and screws

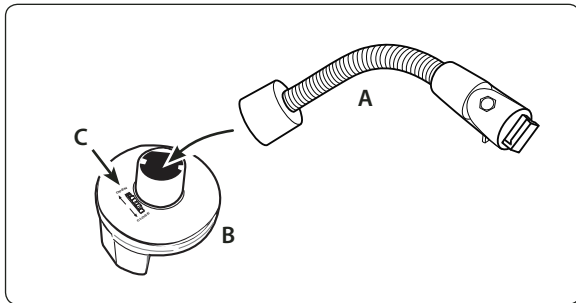

Package Contents:

- (1) SR033-G - Gooseneck cup holder mount
- (1) Optional adhesive support pads
- (1) AP012 - 4-Hole AMPS to 2-Way T-slot adapter plate
- (4) Screws for adapter plate

Note: Mount may not work with adjustable, "pop out" cup holders or oversize cup holder openings found in full-size pickup trucks.

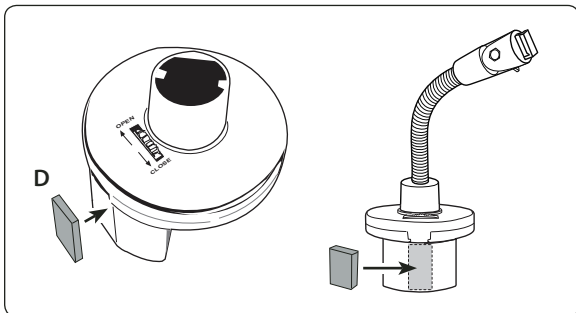

Cup Holder Mounting

- Step 1. Connect the gooseneck (A) to the cup holder base (B) by aligning the groove on the base to the ridge inside the bottom of the gooseneck.

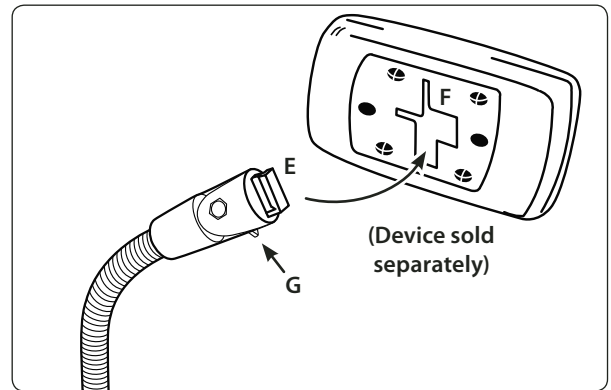

- Step 2. Place the Cup Holder Mount into a designated cup holder in the vehicle. Adjust the thumb wheel adjuster (C) to open or close the cup holder prongs to fit in the cup holder.

- Step 3. For oversize cup holder openings or the adjustable "pop out" cup holders use the optional self-adhesive side support pads (D). Install the pads by removing the adhesive backing and placing it on the flat surface side of the cup holder support leg.

Satellite Radio Device Attachment

- Step 1. Attach the satellite radio device on to the gooseneck by inserting the T-tab (E) on the head into the T-slot (F) in the back of the device (not included, sold separately).
- Step 2. Adjust the angle of the T-tab head by tightening the adjustment wingnut (G).

Optional Adapter Plate Attachment

- Step 1. For Sirius or other satellite radio devices without a T-slot, attach the included adapter plate with 4 screws to the back of the device.
- Step 2. Attach the device with adapter plate to the gooseneck as shown above.

Safety Precautions

Do not install Arkon products over an air bag cover or within the air bag deployment zone. Arkon Resources, Inc. assumes no responsibility of liability for injury or death as a result of car crashes and/or air bag deployment.

Arkon is not responsible for any damages caused to your car, your device, or yourself due to the installation or use of this pedestal mount.
