

SR097 | Satellite Radio Lighter Socket Pedestal

Package Contents:

- (1) CM097 Lighter Socket Pedestal
- (1) AP012 T-Slot to 4-Hole AMPS adapter plate with screws

Safety Precautions

Do not reposition the pedestal while driving. Arkon Resources, Inc. does not promote the adjustment of handheld devices except when the vehicle is safely parked or stopped.

Arkon is not responsible for any damages caused to your car, device, or yourself due to the installation of this pedestal.

Installation Instructions

- Step 1. Insert the DC Power plug completely into the vehicle's 12V / lighter socket.
- Step 2. Adjust the angle of the pedestal arm by loosening / tightening the wing nuts to the desired placement angle.
- Step 3. Attach your cradle or device to the single T-head. Adjust the angle and rotation of the head by loosening / tightening the wing nut.

If necessary, attach the optional AMPS adapter plate to the back of your device or cradle with the included screws. Then attach to the single T-head.

Safety Precautions

Do not install Arkon products over an air bag cover or within the air bag deployment zone. Arkon Resources, Inc. assumes no responsibility of liability for injury or death as a result of car crashes and/or air bag deployment.

Arkon is not responsible for any damages caused to your car, your device, or yourself due to the installation or use of this pedestal mount.
